## UNBEATABLE WARRANTY OFFER!

Our unmatched warranty sets us apart from the competition. At SWS we stand behind our products. We take pride in delivering top-notch, reliable equipment, because we believe you should be able to enjoy welding without sweating the small stuff. With a genuine 3 year warranty and an additional 2 year extension on all power sources, you can weld confidently with the knowledge that we've got you covered.

## THE ULTIMATE WELDING MISSION

SWS is on a mission to become Australia and New Zealand's ultimate go-to brand for the best and most affordable inverter welders, plasma cutters and other welding supplies online and in store. We are an Australian-owned, family business founded in 2014. Our brand stands for **Reliability, Durability** and **Quality**.

We sell a continuously expanding product line directly into the retail and wholesale sector from our 100% secure SSL encrypted website, eBay store and sales representatives. Our customers include trade professionals, reputable DIY and industrial supply stores, fabrication workshops and home users.

Our commitment to quality remains steadfast in accordance with current Australian and New Zealand practices. Our manufacturing partners are in compliance with strict ISO 9001 quality management systems ensuring that quality control and safety regulations are adhered to.

All online orders received before 12 pm weekdays are dispatched that same day for a speedy delivery. If you require an urgent delivery, we can provide next (business) day delivery to most parts of Australia.

We strive to deliver a friendly and professional service, making sure that all our customers' welding requirements are met to the highest standards.
